

Bruce Luther Family

(2-13-1896 8-2-1979)

Uncle Bruce, the oldest of the ten R.M. Luther children lived to be 83 years old. For most of his life he lived in the Mechanicsburg, PA area. He was in sales, owned a golf course, and also owned horse stables. Bruce married Hazel Miltonberger and had three children. Robert, Mercedes, and Benjamin. Both of the boys died rather early in life, but Mercedes is still living at Arbutus Park Retirement Community and is 89 years old. Bruce and Hazel divorced and he later remarried Jane Stapleton. The picture above shows Bruce with his second wife, Jane, and daughter Mercedes. We believe the picture was taken in the 1960's at the Luther family farmstead. We don't have many pictures of Bruce and his family. If you have some of he and Hazel, or he and Jane, or their children, please

contact the webmaster, Roger Luther, so they can be added to this website.

Above is his daughter, Mercedes at a Luther Reunion in the 1980's.
